

Translucent Gemstone Swatches

Please review the following information before requesting Gemstone samples. These materials comprise a collection of semi-precious stones to include: Opal, Jade, Amethyst, Garnet to name but a few, which are considered a luxury decoration material with a price to match and as such samples cannot be offered free of charge.

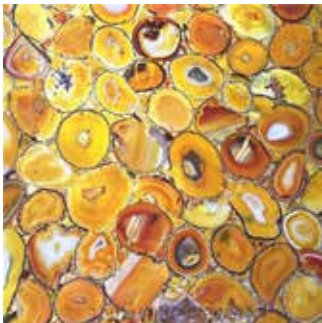

United Kingdom only

Samples are charged out on a sale or return basis. A holding deposit is required per sample (maximum three) and if the samples are returned undamaged in their original packaging the amount is refunded. The cost of return is borne by the client.

Rest of the World

Samples are chargeable including freight with a maximum of three samples pre request. Sample costs depend on the style and delivery location.
